

## Edit, Copy, and Cancel Accounting Journal Overview

This Quick Reference Guide (QRG) is designed to walk an **Accountant** through the steps to edit, copy, and cancel an accounting journal in Workday. By the end of this QRG, users will be able to edit, copy, or cancel an accounting journal depending on the status of the journal.

The table below describes the different journal statuses in Workday:

Status	Journal Status Description	Actions allowed
Created	Journal yet to be submitted (Saved for Later)	Edit, Copy, and Cancel
In Progress	Journal pending for some action in the business process	Edit, Copy, and Cancel
Posted	Journal received all the required approvals	Copy
Canceled	Journal has been cancelled	Copy

### NOTE

All fields on the **Find Journals** screen that are not mentioned above are optional, however they assist in narrowing down the search.

**Status** can be left blank if you want to find a journal in any status, but if the status is Posted or Canceled, you will not be able to edit the journal.

**Journal Sources** can also be left blank. The Find Journal report includes both Operational Journals (journals create automatically after an operational task is completed (i.e., Expense Report, Ad Hoc Bank Transaction, Requisition, etc.) and Accounting Journals. Operational Journals cannot be edited using this process.

4. Select **OK**.

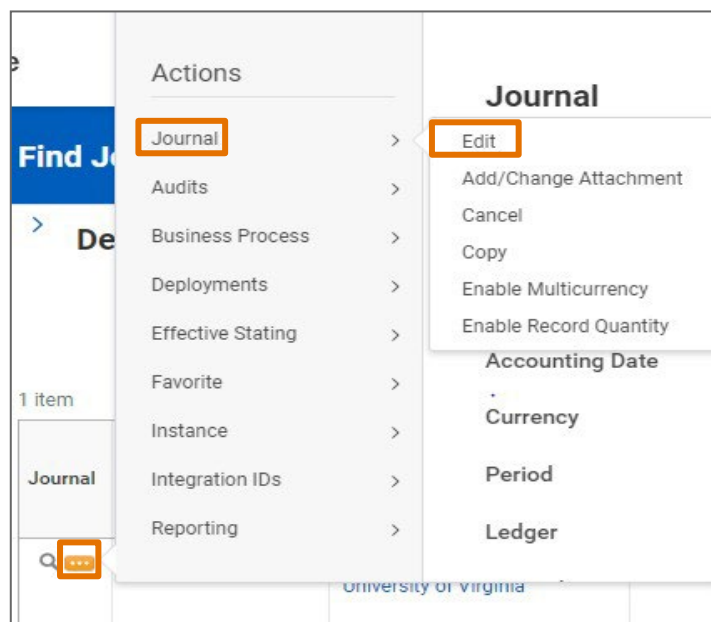

On the second **Find Journals** screen:

5. Select the **Related Actions (...)** menu under the Journal column of the journal to edit.
